Reporting Requirements for PPR, SOR/TOR, and SUPRT-A/C

Purpose:
This document provides a comprehensive overview of reporting requirements for all awardees participating in state and federal programs formerly known collectively as the GPRA. The matrix identifies whether each awardee is required to complete reporting for the Performance Progress Report (PPR), the State Opioid Response/Tribal Opioid Response (SOR/TOR) report, and the SUPRT-A/C report.

How the Document Is Organized:
Awardees are grouped into Sections to improve clarity and accessibility:

Board Partnerships
Community Organizations
Recovery Support
Recovery Support Supplemental Fund Awardees
SUD Treatment
MOMS
Interagency Agreements

Each awardee is listed within their respective Section. For each reporting type (PPR, SOR/TOR, SUPRT-A/C), a “Yes” or “No” indicator is provided to clearly define the reporting obligations.

How to Use This Document:

Locate your awardee name within the Section.
Review the columns labeled PPR, SOR/TOR, and SUPRT-A/C to determine which reports you are required to complete.
